What we Have

Modern Safari Vehicles - Our fleet of well-maintained 4x4 vehicles is designed for safety, comfort, and optimal game-viewing, complete with large windows, pop-up roofs, and air conditioning.

Handpicked Accommodations - We partner with a selection of luxurious lodges, boutique hotels, and eco-friendly camps that offer comfort, privacy, and stunning views.

Team of Professional Experts - From experienced safari guides to knowledgeable travel consultants, our team is passionate about creating memorable adventures for every guest.

Tour Vehicles

Our comfortable Land Cruisers/Jeep and Mini bus offer seats for four to nine people. They are available for hire as well with exceptional experienced driver guides. In our safaris/tours we use spacious cars from 4 to 9-seater, 4x4 safari Land Cruisers or Mini Van, with roof hatches, a fridge and phone/camera charging facilities.

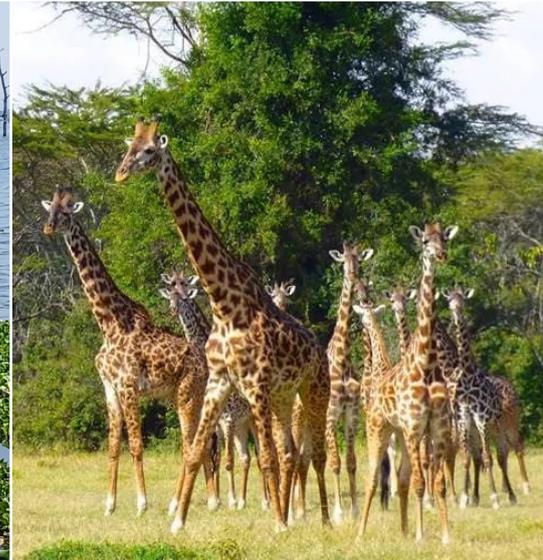

Each safari vehicle offers comfortable seats with seat belts and canvas covers fitted with pockets for water bottles and other handy items. Well maintained, each vehicle is routinely subjected to an overhaul service after every safari and checked again before the next safari by our very own team of competent mechanics and workshop staff who are on standby round the clock.
